Hi Joe,

Here's the Pre-Draft Malibu Creek and Lagoon TMDL.
Please forward to only the interested stakeholders I've been meeting with at the MCC meetings in Malibu, and CC me.
Please do not forward to everyone since this is a pre-draft. And, I would prefer to discuss and fwd a draft directly to folks outside of this stakeholder group.

Please also include the following disclaimer to the stakeholders who will be looking at this:

This document is a pre-draft for review and discussion only. We will be discussing some of the highlights at the Oct 9 meeting. Also, please note that this draft is a work in progress, with many sections PENDING.

Disclaimer:

This Pre-Draft is not the final TMDL. This Pre-Draft describes in detail the data, analyses, and issues that USEPA is reviewing for the final TMDL. The content and conclusions in this Pre-Draft may change following further review, analyses and determination by USEPA.

Cindy
